

GOT MLK?

Dr. Martin Luther King, Jr. WAY is more than just a street! In his own words, "The nation and the world are in dire need of creative extremists...Freedom is never voluntarily given by the oppressor; it must be demanded by the oppressed...The hottest place in Hell is reserved for those who remain neutral in times of great moral conflict...Never forget that everything Hitler did in Germany was legal...Injustice anywhere is a threat to justice everywhere...We may have all come on different ships, but we're in the same boat now...We must learn to live together as brothers or perish together as fools...Peace is not merely a distant goal that we seek, but a means by which we arrive at that goal...The time is always right to do what is right." Write a letter. To pair a phrase, "A Write Delayed is a Right Denied." March for justice (and every other month)! Inspired by Dr. Martin Luther King, Jr., two-by-two we can just duet!

Don't put a lie on "Top Pun" (it's just my pun name)
